SHARING BLESSINGS WITH THANKSGIVING AND LOVE

THE UNITED THANK OFFERING addresses compelling human need through grants to projects that alleviate poverty, both domestically and internationally, within the Anglican provinces, dioceses, and companion dioceses. It is not too late to bring in your UTO boxes. Funds received in the next few weeks will be forwarded to the diocese and the amount recorded and then sent to The Episcopal Church where our gifts will be combined with the gifts of folks from others parts of the Church. Envelopes are available in the pew racks (note "UTO" on the envelope), and brochures can be found on the table in the north hallway. Questions? Contact Isabel Brown, coordinator on behalf of the E.C.W.

REMEMBER TO GIVE THANKS for the ways God works in our lives — sometimes in healing or a problem resolved and always in the constant companionship of the Holy Spirit who walks and waits with us for helpful changes in our lives. Feel free to voice your thanksgivings during the Prayers of the People at mass on Sundays and Wednesdays as well as in your personal prayers during the week.

VOLUNTEER OPPORTUNITIES

VOLUNTEERS NEEDED FOR CRC FREE SUMMER LUNCH PROGRAM. The Clintonville CRC is coordinating a free summer lunch program for disadvantaged youth and this week is Saint James' chance to help. Three volunteers are needed each day Monday the 7th through Friday the 11th to help distribute food between noon and two. Please contact Alex Martin by cell phone at 1-440-228-7452 or by email at adm145@gmail.com, if you're able to help on one of these days.

HABITAT WILDLIFE GARDEN TEAM MEMBERS: Habitat Team members were asked to renew their commitments at the Annual Meeting. If there are any folks who were not present for the meeting and who would like to be a part of this exciting ministry, please contact **Roberta Gordon** at robertajg@earthlink.net or call at 614-873-5722, or cell 614-406-4405. If you are not in a position to participate in the gardening aspect, folks are needed to maintain the bird bath — clean out once a week and keep it filled with water. Providing clean water is a critical part of the habitat.

CHILDREN'S CHRISTIAN FORMATION TEACHERS and ASSISTANTS are always needed. If you can give one or two Sundays during the school year to help our children learn about their faith it would mean those who currently teach could enjoy the mass from start to finish on occasion! Prayerfully consider the possibility. Training and support are available. Questions? Want to give it a try? Contact **Deacon Elise**.

REMINDERS

When using St. James facilities for a meeting or event, please remember that we have no paid janitorial staff and that heat/ac are both very expensive in a building the size of St. James. It will help cut costs and make life easier for us all if we adhere to the following guidelines:

- When finishing an activity turn off the lights.
- If you are the last person out of the building turn off all lights.
- If you notice lights are turned on in a part of the building that is not being used, please turn them off, even if you did not turn them on.
- When leaving the building turn the heat back to 62 degrees and the ac up to 78 degrees.
- While using the building, please do not turn the heat above 68 degrees or the ac below 72 degrees.
- Make sure all doors are locked when you are the last person leaving the building.
- Make sure that you leave any space that you are using in as good or better condition than you found it (ie. chairs pushed in to table, furniture placed neatly, any waste products in appropriate containers, etc.)

- You must purchase your ticket TODAY Sunday, June 6th.
