SAINT JAMES SERVICE COMMITTEE UPDATE

Greetings! The Service Committee has been diligent in discerning how the Holy Spirit is leading St. James forward into God's will. We have had some heart-felt conversations and made some difficult decisions over the last several months. The end result, we believe, is a more concentrated focus for St. James on a few projects that we will uphold as ministry from our congregation. This in no way means that other projects and ministry cannot happen; it just means that the resources we are aware of will be focused on a smaller scope of outreach. These projects are:

LAST WEEK'S ATTENDANCE

SUNDAY ATTENDANCE 07/11

8 AM (15)
10:30 AM (51)

WEEKDAY ATTENDANCE 07/07

(5)

- Clintonville Resource Center (CRC) – time, energy, donations and talents will be directed towards the CRC to assist them in carrying out services in their Family & Neighborhood, Children & Youth, Senior Supportive and Kinship Care programs. Look for more information to come on how you can get involved with the various programs above.
- Iftar – continuing to serve our Muslim neighbors through this yearly hospitality event was an important service for the committee. By opening our doors and helping to end a days fast, we demonstrate interfaith dialogue and understand better how much we share with Muslim friends.
- Episcopal Relief and Development Fund – the service committee will continue investigate ways to assist the ERDF to meet the needs of others outside of our own community. This will be St. James’ way of having a more global impact.

In regards to the feeding ministries we have traditionally done in the past (In The Garden and His Place), the service committee is slowing those ministries down so that we can concentrate on the above outreach. Again, this does not mean that you cannot be involved with these if you choose. There are plenty of opportunities for individual service in a myriad of different ways – you are encouraged to let your light shine in whatever way God calls you!

There is no reason that other service projects cannot happen. If you are so inclined to take on a project outside of the above areas, go for it! The service committee will do what it can with the energy and resources it has to assist you – at the very least we will pray with and for your ministry. Remember, God’s call comes in all kinds of different and wonderful ways!

Lastly, feel free to come to a service committee meeting and get involved with us.

There are no Altar Flower donors this week.
